SUBJECT INDEX

ADVERSE DRUG REACTION
- Severe gastrointestinal bleeding induced by a probable hydroxycoumarin–bezafibrate interaction, 47
- Lovastatin-induced hepatitis, 101
- Fatal methemoglobinemia caused by inadvertent contamination of a laxative solution with sodium nitrite, 289
- Nalidixic acid-induced hemolytic anemia complicating halothane–induced hepatitis, 294
- Life-threatening bradycardic reactions due to beta blocker–diltiazem interactions, 292
- Quinidine-induced uveitis, 741
- Hydrochlorothiazide-induced relapsing fever, 880
- Sulfonamide-induced bullous hemorrhagic eruption in a patient with low prothrombin time, 882

ALKALINE TIDE
- Pentagastrin-induced urinary alkaline tide — a repeatable phenomenon that is abolished after vagotomy, 97

ALUMINUM ABSORPTION
- Autonomous hyperparathyroidism not associated with increased aluminum absorption, 24

AMNIOCENTESIS
- Eradication of *Ureaplasma urealyticum* from amniotic fluid, 296

ANEMIA
- Nalidixic acid-induced hemolytic anemia complicating halothane-induced hepatitis, 294

ANGIODYSPLASIA
- Evans' syndrome in Castleman's disease: unusual presentation with rectal bleeding from angiodysplasia of cecum, 807

ARTHRALGIA
- Quinidine-induced uveitis, 741

ARTHRITIS
- Avascular necrosis of bone mimicking symmetric polyarthritis in a patient with malignant lymphoma treated with high-dose steroids, 804

ASTHMA
- Prevalence of asthma in Israeli schoolchildren. A comparative study of Jewish and Arab populations, 789
- Prevalence of asthma in Israeli schoolchildren [Editorial], 810

ATHEROSCLEROSIS
- Viruses and atherosclerosis [Special Article], 463

AUTOANTIBODIES
- See Autoimmunity
- A multidimensional autoantibody analysis specifying systemic lupus erythematosus patients with neuropsychiatric symptomatology, 422
- Neuropsychiatric involvement in systemic lupus erythematosus [Editorial], 458
- Is the sequestration of aged erythrocytes mediated by natural autoantibodies? [Review Article], 818

AUTOIMMUNITY
- Association of lupus anticoagulant and anticardiolipin antibodies with thrombosis in patients with systemic lupus erythematosus, primary antiphospholipid syndrome and other disorders, 9
- The relationship between the lupus anticoagulant, anticardiolipin antibodies and antiphospholipid antibodies [Editorial], 38
- Primary biliary cirrhosis in Israel, 683
- Primary biliary cirrhosis: increasing problem, approaching solution [Editorial], 726

FIFTH AUTOIMMUNITY MEETING— JF BACH DAY
- Predictive medicine: from molecular genetics to prevention. Application to insulin-dependent diabetes mellitus, 111
- Primary biliary cirrhosis and autoimmune rheumatic diseases: prediction and prevention, 113
- Low antigen content diet in the management of immunomediated diseases, 117
- Autoantibodies against protein factors of the nuclear RNA processing apparatus, 120
- Thyroid autoimmunity: autoantibodies to the thyroid-stimulating hormone receptor, 124
- The possible role of tumor necrosis factor (TNF) and its natural inhibitors, the soluble TNF receptors, in autoimmune diseases, 126
- More insights into the mechanism(s) of the intravenous immunoglobulin effect in autoimmunity, 130
- Immunoregulatory activities of fibroblasts: implications for rheumatoid arthritis, 133
- Update on experimental systemic lupus erythematosus, 136
- Analysis of the autoimmune infiltrate in experimental encephalomyelitis, 139

BARRTER'S SYNDROME
- Barrter's syndrome presenting as pseudomyocardial infarction and pseudogout, 885

BIOAVAILABILITY
- Biocquivalence of quinidine in two sustained-release preparations, 357

BOCHDALEK HERNIA
- Late presentation of Bochdalek hernia: our experience and review of the literature, 711

BOOK REVIEWS
- Recalled to life — the story of a coma, 312
- Oxygen multistep therapy — physiological and technical foundations, 312
- Traffic safety and the driver, 313
- Blood and bone barrow morphology — blood coagulation. A manual, 314
- Is the law fair to the disabled? 315

BRUCELLOSIS
- The ability of *Brucella melitensis* to grow on Loewenstein-Jensen egg medium: presentation of a case with *Brucella* meningitis, 806

BURCH COLPOSUSPENSION
- Risk factors and their effect on the results of Burch colposuspension for urinary stres incontinence, 354

BURNS
- Money to burns — cost-effective burn care, 793

CAMEL BITE
- Camel bite: risk factors and management [Letter], 911

CANCER
Hereditary ovarian cancer: a dilemma in prognosis, 16
See Screening for Colorectal Cancer in Israel (Suppl)
Colorectal cancer screening insubstantiated [Letters], 309, 310
High-dose chemotherapy: therapeutic potential in the age of growth factor support [Review Article], 377
Pulmonary metastases from carcinoma of the cervix, 743
Colorectal cancer in patients over 70 years old. A prospective study of operative results, 861
Colonic proliferation and colon cancer risk. A review of clinical studies [Review Article], 904
Colorectal cancer: surgical risk, biomarkers and primary prevention [Editorial], 900
See Correlative Head and Neck Imaging (Special Issue)
See Occupational Health: Challenge for the 1990s (Special Issue)
Avascular necrosis of bone mimicking symmetric polyarthritis in a patient with malignant lymphoma treated with high-dose steroids, 804
Tricuspid valve replacement and pulmonary valvotomy for carcinoid heart disease: report of a case, 888
Penile metastasis of testicular teratocarcinoma diagnosed by fine-needle aspiration, 894

CASTLEMAN'S DISEASE
Evans'syndrome in Castleman's disease: unusual presentation with rectal bleeding from angiodysplasia of cecum, 807

CHARCOAL (ACTIVATED)
Negligence of activated charcoal due to lack of current information [Letter], 751

CHLAMYDIA
Prevalence of *Chlamydia psittaci* infection among persons who work with birds, 739

CHOLESTASIS
Primary biliary cirrhosis in Israel, 683
Primary biliary cirrhosis in Israel: increasing problem, approaching solution [Editorial], 726

CHYLOTHORAX
Chylothorax complicating repair of congenital diaphragmatic hernia, 891

COLONOSCOPY
See Colon Cancer Supplement

COMPLEMENT
Hereditary complement deficiencies in Israel [Review Article], 302
The role of complement proteins in the pathogenesis of disease [Review Article], 471

COMPUTERIZED TOMOGRAPHY
See Correlative Head and Neck Imaging (Special Issue)
Confusion as the presenting manifestation of vertebral osteomyelitis: a case report, 864
Innovations in the diagnosis and management of osteomyelitis [Editorial], 902

CONDYLOMATA ACUMINATA
Cryotherapy — primary treatment of genital condylomata, 365
Cyrotherapy in genital *Condylomata acuminata* [Editorial], 374

CORONARY ARTERY BYPASS GRAFT
Combined carotid endarterectomy and coronary artery revascularization: a sobering review, 27
Considerations in health services planning in an atmosphere of uncertainty: the case of coronary artery bypass surgery in Israel [Special Article], 52
Coronary artery bypass surgery [Letter], 750

CORRELATIVE HEAD AND NECK IMAGING (Special Issue)
Evaluation of the globe using computed tomography and magnetic resonance imaging, 145
Comparative assessment of diseases of the orbit using CT and MRI, 153
CT and MRI of the nasopharynx, 161
Surgery of the anterior skull base: total ethmoidectomy for malignant ethmoidal tumors, 169
MRI and CT of the internal auditory canal and cerebellopontine angle, 173
Surgery of the internal acoustic meatus and the cerebellopontine angle, 183
Radiological evaluation of the facial nerve, 186
Parotid gland and parapharyngeal space imaging — the surgical significance, 193
Cystic lesions of the mandible and maxilla — radiological evaluation and differentiation, 198
Scintigraphic evaluation of patients with thyroid carcinoma — therapeutic approaches, 206
Ultrasonographic evaluation of neck masses — sonographic patterns in differential diagnosis, 212
Scintigraphic techniques in preoperative localization of parathyroid adenoma, 217
Decision making in thyroid and parathyroid surgery: the influence of imaging, 221
Pre-therapeutic evaluation of laryngeal carcinomas using CT and MRI, 225
Tracheal lesions — assessment by conventional films, CT and MRI, 253
Inflammatory lesions of the neck, including fascial spaces — evaluation by CT and MRI, 241
Septic thrombophlebitis of the internal jugular vein, 250
Contribution of nuclear medicine to the diagnosis and management of extracranial head and neck diseases (excluding thyroid and parathyroid), 254
Vascular evaluation of head and neck masses by MRI, 262
Indications for gadolinium–DTPA in MR evaluation of extracranial head and neck mass lesions: review of experience with 27 patients examined with a 2 tesla imager, 268

CORTICOSTEROIDS
Systemic effects of rectally administered corticosteroids, 98

CROSS-CULTURAL STUDIES
Neonatal behavior of Panamanian and Israeli infants: a cross-cultural study, 87

CRYOTHERAPY
See *Condylomata acuminata*

CYANOSIS
Fatal methemoglobinemia caused by inadvertent contamination of a laxative solution with sodium nitrite, 289

CYCLOSPORIN A
Kidney transplantation in Jerusalem, 1972–89, 1
CYTOKINES
See 5th Autoimmmunity Meeting, 133

DIABETES
The offspring of a diabetic mother — short- and long-term range implications, 81
See 5th Autoimmunity Meeting, 111
DIALYSIS
Autonomous hyperparathyroidism not associated with increased aluminum absorption, 24
DIARRHEA
Pilot study of an extended range of potential etiologic agents of diarrhea in the Israel Defense Forces, 49
DIET
Colorectal cancer: surgical risk, biomarkers and primary prevention [Editorial], 900
Colonic proliferation and colon cancer risk. A review of clinical studies [Review Article], 904
See 5th Autoimmunity Meeting, 117
DISABILITY
Prevalence of disabilities in a national sample of 7-year-old Israeli children, 435
DOPAMINE BETA-HYDROXYLASE
Plasma dopamaine beta-hydroxylase activity in familial Mediterranean fever, 427
DRUG UTILIZATION
Recent trends in drug utilization in Israel, 718
Drug utilization: national and international comparisons [Editorial], 726
Reduction of hospital costs and administration of prophylactic antibiotherapy in gynecological surgery [Letter], 751
Paracetamol overdose in Jerusalem, 1984–89, 795
Paracetamol overdose in Israel — 1992 [Editorial], 811
DUODENAL ULCER
Appreciation of pain in the elderly, 94
Pentagastarin-induced urinary alkaline tide — a repeatable phenonemon that is abolished after vagotomy, 97

EMPYEMA
Pneumococcal empyema following endoscopic sclerotherapy in a child with cavernous transformation of the portal vein, 362
ENDOLYMPHATIC SAC
Embryonic vascular drainage of the endolymphatic sac: the "embryonic endolymphatic glomerulus", 896
ENTEROVIRUSES
Replication of enteroviruses in human mononuclear cells, 369
ERYTHROCYTES
Is the sequestration of aged erythrocytes mediated by natural autoantibodies? [Review Article], 818
ERYTHROMYCIN
Erythromycin susceptibility of Group A streptococci in Israel, 752

ETHIOPIAN IMMIGRANTS
Medicine and the Ethiopian Jews: a report from Addis Ababa, 43
Prevention of chronic carriage of hepatitis B virus infection in Ethiopian immigrants [Letter], 308
Tuberculous osteomyelitis of the skull in an Ethiopian immigrant child, 893
Innovations in the diagnosis and management of osteomyelitis [Editorial], 902
EVANS' SYNDROME
Evans' syndrome in Castleman's disease: unusual presentation with rectal bleeding from angiodysplasia of cecum, 807
EXPERIMENTAL AUTOIMMUNE ENCEPHALOMYELITIS
See 5th Autoimmunity Meeting, 139
EYESTRAIN
See Occupational Health (Special Issue), 618, 622

FAMILIAL MEDITERRANEAN FEVER
Plasma dopamine beta-hydroxylase activity in familial Mediterranean fever, 427
FAMILY MEDICINE
Emergency admission to hospital: the family physician as gatekeeper. Results of a 4-year prospective community-based study, 878
FIBROBLASTS
See 5th Autoimmunity Meeting, 133
FIBROMYALGIA
Clinical characteristics of patients with fibromyalgia, 20
Studying tenderness — a clue to understanding fibromyalgia [Editorial], 41

GENETICS
Hereditary ovarian cancer: dilemma in prognosis, 16
Familial cardiomyopathy with variable hypertrophic and restrictive features and common HLA haplotype, 277
The genetics of familial cardiomyopathy [Editorial], 299
Hereditary complement of deficiencies in Israel [Review Article], 302
The autosomal dominant polycystic kidney disease gene in a Jewish family from Uzbekistan is PKD1, 700
Tracheal compression caused by double aortic arch in two sisters, 799
GERIATRICS
Falls among elderly people living at home: medical and social factors in a national sample, 446
Falls in the elderly: a new challenge in medicine [Editorial], 460
GRAFT VS. HOST DISEASE
Radiosensitivity and responsiveness to recombinant interleukin-2 of effector cells of graft vs. host disease and mixed lymphycyte reaction in mice, 767
GROWTH FACTOR
High-dose chemotherapy: therapeutic potential in the age of growth factor support [Review Article], 377

HALOTHANE
Nalidixic acid-induced hemolytic anemia complicating halothane-induced hepatitis, 294

HEALTH EXPENDITURE/HEALTH SERVICES PLANNING
Considerations in health services planning in an atmosphere of uncertainty: the case of coronary artery bypass surgery in Israel [Special Article], 52
Recent trends in drug utilization in Israel, 718
Drug utilization: national and international comparisons [Editorial], 726
Reduction of hospital costs and administration of prophylactic antibiotherapy in gynecological surgery [Letter], 751
Money to burns — cost-effective burn care, 793
Standardized mortality ratios for Israel, 1963–86, 868
Emergency admission to hospital: the family physician as gatekeeper. Results of a 4-year prospective community-based study, 878

HEART DISEASE
Combined carotid endarterectomy and coronary artery revascularization: a sobering review, 27
Considerations in health services planning in an atmosphere of uncertainty: the case of coronary artery bypass surgery in Israel [Special Article], 52
Appreciation of pain in the elderly, 94
Familial cardiomyopathy with variable hypertrophic and restrictive features and common HLA haplotype, 277
Life-threatening bradycardic reactions due to beta blocker-diltiazem interactions, 292
The genetics of familial cardiomyopathy [Editorial], 299
Hypothalamic etiology in sympathetically induced pathogenic cardiovascular changes in the cat, 349
The current value of exercise testing soon after acute myocardial infarction, 694
Comparative study of *Klebsiella oxytoca* and *Klebsiella pneumoniae*, 747
Coronary artery bypass surgery [Letter], 750
Causes of death in patients with end-stage renal disease treated by dialysis in a center in Israel, 776
Doppler measurement of left ventricular isovolumic intervals: a study of feasibilty and correlation with conventional techniques, 852
Secondary prevention of coronary heart disease in patients after acute myocardial infarction at the Soroka Medical Center, 856
Barrter's syndrome presenting as psseudomyocardial infarction and pseudogout, 885
Tricuspid valve replacement and pulmonary valvotomy for carcinoid heart disease: report of a case, 888

HEAT STRESS
See Occupational Health (Special Issue), 608

HEMATURIA
Screening for Wilson's disease in the investigation of hematuria, 367

HEMORRHAGIC BULLAE
Sulfonamide-induced bullous hemorrhagic eruption in a patient with low prothrombin time, 882

HERNIA
Acute symptomatic hernia, 285
Late presentation of Bochdalek hernia: our experience and review of the literature, 711
Chylothorax complicating repair of congenital diaphragmatic hernia, 891

HISTAMINE
High dose of histamine required for gastric acid secretion in the common African toad, *Bufo regularis*, 731

HUMAN LEUKOCYTE ANTIGEN
Familial cardiomyopathy with variable hyperthrophic and restrictive features and common HLA haplotype, 277
The genetics of familial cardiomyopathy [Review Article], 299

HYPERAMMONEMIA HYPERGLYCINEMIA
Nonketotic hyperglycinemia presenting with pin-point pupils and hyperammonemia, 91

HYPERINFECTION
Strongyloides stercoralis hyperinfection in Israel — a case report, 736

HYPERLIPOPROTEINEMIA
Lovastatin-induced hepatitis, 101
Worksite screening for high blood cholesterol: implications for detection, evaluation and treatment — the Israel Cordis study, 406
Vitamin A loading — an indicator of post-prandial lipoprotein clearance in healthy and hypertriglyceridemic subjects, 706

HYPERPARATHYROIDISM
Autonomous hyperparathyroidism not associated with increased aluminum absorption, 24

HYPERTENSION
Evaluation of clinic blood pressure measurements: assessment by daytime ambulatory blood pressure monitoring, 345
Effect of nisoldipine on ambulatory blood pressure under 24-hour noninvasive monitoring, 688

HYPOTHALAMUS
Hypothalamic etiology in sympathetically induced pathogenic cardiovascular changes in the cat, 349

IBN SINA
Concrete and abstract in medicine: the case of Ibn Sina [Review Article], 813

IDIOPATHIC THROMBOCYTOPENIC PURPURA
Successful treatment with recombinant alpha 2 interferon for refractory idiopathic thrombocytopenic purpura [Letter], 390

IMMUNE DEFICIENCY/IMMUNE COMPLEX DISEASE
The role of complement proteins in the pathogenesis of disease [Review Article], 471

INDUSTRIAL DISASTERS
See Occupational Health (Special Issue), 526

INFECTIOUS MONONUCLEOSIS
Sonographic diagnosis of spontaneous rupture of the spleen in infectious mononucleosis: case report and review of the literature, 801

INFLAMMATORY BOWEL DISEASE
Systemic effects of rectally administered corticosteroids, 98

INJURY
The epidemiology of injuries sustained by Israeli troops during the unrest in the territories administered by Israel, 1987-89, 341

Injuries sustained by Israeli soldiers during the "Intifada", 1987-89 [Editorial], 373
Falls among elderly people living at home: medical and social factors in a national sample, 446
Falls in the elderly: a new challenge in medicine [Editorial], 460
See Occupational Health (Special Issue), 526, 629, 681

INTERFERON
Successful treatment with recombinant alpha 2 interferon for refractory idiopathic thrombocytopenic purpura [Letter], 390

INTERLEUKIN-2
Radiosensitivity and responsiveness to recombinant interleukin-2 of effector cells of graft vs. host disease and mixed lymphocyte reaction in mice, 767

INTRAUTERINE COMPLICATIONS
The offspring of a diabetic mother — short- and long-range implications, 81

IQ
"Acceptable" lead exposures in Israel: do they lower childhood IQ and damage workers' health? [Editorial], 454

KIDNEY
Kidney transplantation in Jerusalem, 1972–89, 1
Autonomous hyperparathyroidism not associated with increased aluminum absorption, 24
Severe gastrointestinal bleeding induced by a probably hydroxycoumarin bezafibrate interaction, 47
See Occupational Health (Special Issue), 605
The autosomal dominant polycystic kidney disease gene in a Jewish family from Uzbekistan is PKD1, 700
Causes of death in patients with end-stage renal disease treated by dialysis in a center in Israel, 776

KLEBSIELLA
Comparativae study of *Klebsiella oxytoca* and *Klebsiella pneumoniae*, 747

KOHL
Is eye cosmetic al source of lead poisoning?, 417
"Acceptable" lead exposures in Israel: do they lower childhood IQ and damage workers' health? [Editorial], 454

LEISHMANIA
Leishmania major: bacterial contamination of cutaneous lesions in experimental animals, 847

LOVASTATIN
Lovastatin-induced hepatitis, 101

LIVER
Neonatal jaundice and bilirubin encephalopathy — a clinical and experimental reappraisal [Review Article], 103
Lovastatin-induced hepatitis, 101
Nalidixic acid-induced hemolytic anemia complicating halothane-induced hepatitis, 294
Leukemoid reaction in a patient with pulmonary edema [Letter], 307
Prevention of chronic carriage of hepatitis B virus infection in Ethiopian immigrants [Letter], 308

LOW BACK PAIN
See Occupational Health (Special Issue), 615

MAGNETIC RESONANCE IMAGING
See Correlative Head and Neck Imaging (Special Issue)

MEASLES/MUMPS/RUBELLA
Prevalence of antibodies against measles, mumps and rubella in Israeli young adults, 733

MEDICAL RECORDS
The Quality Assurance Committee in a general hospital: its use in improvement of the medical record, 714

MENINGITIS
The ability of *Brucella melitensis* to grow on Loewenstein-Jensen egg medium: presentation of a case with *Brucella* meningitis, 806
Confusion as the presenting manifestation of vertebral osteomyelitis: case report, 864

METHEMOGLOBINEMIA
Fatal methemoglobinemia caused by inadvertent contamination of a laxative solution with sodium nitrite, 289

MILITARY MEDICINE
Cigarette smoking and educational level among young Israelis upon release from military service in 1988 — a public health challenge, 33
Pilot study of an extended range of potential etiologic agents of diarrhea in the Israel Defense Forces, 49
The epidemiology of injuries sustained by Israeli troops during the unrest in the territories administered by Israel, 1987–89, 341
Injuries sustained by Israeli soldiers during the "Intifada", 1987–89 [Editorial], 373
See Occupational Health (Special Issue), 608, 610

MONONUCLEAR CELLS
Replication of enteroviruses in human mononuclear cells, 369

MORBIDITY/MORTALITY
Morbidity and mortality in 46 patients with VACTERL association, 281
Standardized mortality ratios for Israel, 1963–86, 868

MULTIPLE SCLEROSIS
A multidimensional autoantibody analysis specifiying systemic lupus erythematosus patients with neuropsychiatric symptomatology, 422
Neuropsychiatric involvement in systemic lupus erythematosus [Editorial], 458

MYCOBACTERIUM XENOPI
Mycobacterium xenopi, a potential human pathogen, 772

MYOSITIS
See 5th Autoimmunity Meeting, 120

NALIDIXIC ACID
Nalidixic acid-induced hemolytic anemia complicating halothane-induced hepatitis, 294

NEONATOLOGY
The offspring of a diabetic mother — short- and long-range implications, 81
Neonatal behavior of Panamanian and Israeli infants: a cross-cultural study, 87
Neonatal jaundice and bilirubin encephalopathy — a clinical and experimental reappraisal, 103
See 5th Autoimmunity Meeting, 124

A 2-year prospective study of very low birthweight infants, 783

NEUROPSYCHIATRIC INVOLVEMENT
A multidimensional autoantibody analysis specifying systemic lupus erythematosus patients with neuropsychiatric symptomatology, 422
Neuropsychiatric involvement in systemic lupus erythematosus [Editorial], 458
See Occupational Health (Special Issue), 598

NISOLDIPINE
Effect of nisoldipine on abulatory blood pressure under 24-hour noninvasive monitoring, 688

OCCUPATIONAL HEALTH: CHALLENGE FOR THE 1990s (Special Issue)
Occupational health in Israel: research and prevention approaches for the 1990s, 492
Review of a decade of activity in occupational safety and health in Israel, 496
Occupational health planning in Israel: a U.S. perspective, 500
Occupational and environmental exposures and nonspecific lung disease — a review of selected studies, 509
Primary prevention of occupational lung disease: a view from the United States, 513
Occupational cancer in Israel: an overview, 520
Sentinel markers for industrial disasters, 526
Regional differences in cancer incidence and mortality in Israel: possible leads to occupational causes, 534
Mesothelioma mortality among former asbestos–cement workers in Israel, 1953–90, 543
A follow-up study in a lead smelter community following the introduction of an effective pollution control system, 548
Responses of occupational physicians and laboratory staff to reports of high blood lead levels, 556
Lead poisoning: I. Some clinical and toxicological observations on the effects of occupational lead exposure among firearms instructors, 560
Lead poisoning: II. Biological standards for occupational lead exposure - where do we stand now? 572
Medical findings in nickel-cadmium battery workers, 578
Health effects from exposure to organophosphate pesticides in workers and residents in Israel, 584
Residual neurobehavioral impairment in a water technician exposed to hydrazine-containing mixtures, 598
Cytogenetic changes in ethylene oxide-exposed workers: a challenge to occupational medicine, 602
Early detection of changes in kidney function in workers exposed to solvents and heavy metals, 605
Predicting increases in skin temperature using heat stress indices and relative humidity in helicopter pilots, 608
Motion sickness-like syndrome among tank simulator drivers, 610
Prevalence of low back pain in employees of a pharmaceutical company, 615
Contrast sensitivity and the near point of accommodation after work with a visual display unit, 618
Training in oculomotor tracking: occupational health aspects, 622
Noise exposure, noise annoyance and their relation to psychological distress, accident and sickness absence among blue-collar workers — the Cordis Study, 629
Sleep-wake cycle in shift workers on a "clockwise" and "counter clockwise" rotation system, 636
Absence from work among smokers and nonsmokers in Israel industries — the Cordis Study, 645
Sickness absence in 21 industrial plants in Israel (1967–87) — the Cordis Study, 650
A pilot occupational health service for small enterprises: first year experience — the Givat Shaul Project, 659
Findings in pre-employment examinations, 666
Realizing the potential of social work in occupational health, 674
Exposure of workers to toxic substances and physical hazards: the law in theory and practice, 681

OOPORECTOMY
Hereditary ovarian cancer: a dilemma in prognosis, 16

ORNITHOSIS (PSITTACOSIS)
Prevalence of *Chlamydia psittaci* infection among persons who work with birds, 739

OSTEOMYELITIS
Confusion as the presenting manifestation of vertebral osteomyelitis: a case report, 864
Tuberculous osteomyelitis of the skull in an Ethiopian immigrant child, 893
Innovations in the diagnosis and management of osteomyelitis [Editorial], 900

PAIN
Acute surgical abdominal disease in schizophrenics [Letter], 61
Appreciation of pain in the elderly, 94

PANCREATITIS
Delayed operation for acute pancreatitis, 779

PENTAGASTRIN
Pentagastrin-induced urinary alkaline tide — a repeatable phenomenon that is abolished after vagotomy, 97

POISONING
Fatal methemoglobinemia caused by inadvertent contamination of a laxative solution with sodium nitrite, 289
Negligence of activated charcoal due to lack of current information [Letter], 751
Paracetamol overdose in Jerusalem, 1948–89, 795
Paracetamol overdose in Israel — 1992 [Editorial], 811
See Occupational Health (Special Issue)

PRETERM LABOR
Eradication of *Ureaplasma urealyticum* from amniotic fluid, 296

PRIMARY BILIARY CIRRHOSIS
Primary biliary cirrhosis and autoimmune rheumatic diseases: prediction and prevention, 113
Primary biliary cirrhosis in Israel, 683
Primary biliary cirrhosis: increasing problem, approaching solution [Editorial], 726

PULMONARY EDEMA
Leukemoid reaction in a patient with pulmonary edema [Letter], 307

QUALITY ASSURANCE
The Quality Assurance Committee in a general hospital: its use in improvement of the medical record, 714
QUINIDINE
Bioequivalence of quinidine in two sustained-release preparations, 357
Quinidine-induced uveitis, 741

RHEUMATISM
Clinical characteristics of patients with fibromyalgia, 20
Studying tenderness — a clue to understanding fibromyalgia [Editorial], 41
RHEUMATOID ARTHRITIS
See 5th Autoimmunity Meeting, 133
RIGHT-TO-KNOW
See Occupational Health (Special Issue), 526, 681

SCHIZOPHRENIA
Acute surgical abdominal disease in schizophrenics [Letter], 61
SCIENTIFIC MEETINGS IN ISRAEL
Annual Meeting of the Israel Society of Microbiology, 62
Semi-Annual Meeting of the Israel Society of Sports Medicine, 78
Annual Meeting of the Israel Heart Society, 317
Seventh International Jerusalem Symposium on Sport Injuries, 392
Annual Meeting of the Israel Society of Parasitology, 396
Semi-Annual Meeting of the Israel Society of Pathology, 401
Annual Meeting of the Israel Society of Hematology, 476
21st Annual Meeting of the Israel Immunological Society, 480
Semi-Annual Meeting of the Israel Society of Sports Medicine, 754
Annual Meeting of the Israel Endocrine Society, 756
Semi-Annual Meeting of the Israel Society of Pulmonary Medicine, 829
Annual Meeting of the Israel Society of Parasitology, 832
Annual Meeting of the Israel Society of Microbiology, 918

SCLEROTHERAPY
Pneumococcal empyema following endoscopic sclerotherapy in a child with cavernous transformation of the portal vein, 362
SCREENING
See Screening for Colon Cancer in Israel (Suppl)
Colorectal cancer screening insubstantiated [Letters], 309, 310
Screening for Wilson's disease in the investigation of hematuria, 367
Multiphasic screening: an idea whose time has passed [Special Article], 386
Worksite screening for high blood cholesterol: implications for detection, evaluation and treatment — the Israel Cordis study, 406
See Occupational Health (Special Issue), 659, 666

SHIGELLA
Pilot study of an extended range of potential etiologic agents of diarrhea in the Israel Defense Forces, 49

SJÖGREN'S SYNDROME
See 5th Autoimmunity Meeting, 113
SLEEP
See Occupational Health (Special Issue), 636
SMOKING
Cigarette smoking and educational level among young Israelis upon release from military service in 1988 - a public health challenge, 33
See Occupational Health (Special Issue), 645
SOCIAL WORK
Falls among elderly people living at home: medical and social factors in a national sample, 446
See Occupational Health (Special Issue), 674
SPLEEN
Radiosensitivity and responsiveness to recombinant interleukin-2 of effector cells of graft vs. host disease and mixed lymphocyte reaction in mice, 7657
Sonographic diagnosis of spontaneous rupture of the spleen in infectious mononucleosis: case report and review of the literature, 801
STREPTOCOCCUS
Erythromycin susceptibility of Group A streptococci in Israel [Letter], 752
STRONGYLOIDES STERCORALIS
Strongyloides stercoralis hyperinfection in Israel — a case report, 736
SUDDEN INFANT DEATH SYNDROME
Sudden infant death syndrome in the Tel Aviv and Petah Tikva districts, 430
SYSTEMIC LUPUS ERYTHEMATOSUS
Association of lupus anticoagulant and anticardiolipin antibodies with thrombosis in patients with systemic lupus erythematosus, primary antiphospholipid syndrome and other disorders, 9
The relationship between the lupus anticoagulant, anticardiolipin antibodies and antiphospholipid antibodies [Editorial], 38
See 5th Autoimmunity Meeting, 113, 136
A multidimensional autoantibody analysis specifying systemic lupus erythematosus patients with neuropsychiatric symptomatology, 422

THROMBOSIS
Association of lupus anticoagulant and anticardiolipin antibodies with thrombosis in patients with systemic lupus erythematosus, primary antiphospholipid syndrome and other disorders, 9
Combined carotid endarterectomy and coronary artery revascularization: a sobering review, 27
The relationship between the lupus anticoagulant, anticardiolipin antibodies and antiphospholipid antibodies [Editorial], 38
THYROID
Autonomous hyperparathyroidism not associated with increased aluminum absorption, 24
See 5th Autoimmunity Meeting, 124

TOXIC EXPOSURES
Is eye cosmetic a source of lead poisoning?, 417
"Acceptable" lead exposures in Israel: do they lower childhood IQ and damage workers' health? [Editorial], 454
Lead regulations for workers in Israel: do they protect? [Letters], 912, 913
See Occupational Health (Special Issue)

TRACHEOMALACIA
Tracheal compression caused by double aortic arch in two sisters, 799

TRANSPLANTATION
Kidney transplantation in Jerusalem, 1972–89, 1
High-dose chemotherapy: therapeutic potential in the age of growth factor support [Review Article], 377
Radiosensitivity and responsiveness to recombinant interleukin-2 of effector cells of graft vs. host disease and mixed lymphocyte reaction in mice, 767

TUBERCULOSIS
A multidimensional autoantibody analysis specifying system lupus erythematosus patients with neuropsychiatric symptomatology, 422
Neuropsychiatric involvement in systemic lupus erythematosus [Editorial], 458
Tuberculous osteomyelitis of the skull in an Ethiopian immigrant child, 893
Innovations in the diagnosis and management of osteomyelitis [Editorial], 902

TUMOR NECROSIS FACTOR
See 5th Autoimmunity Meeting, 126

UREAPLASMA UREALYTICUM
Eradication of *Ureaplasma urealyticum* from amniotic fluid, 296

URINARY STRESS INCONTINENCE
Risk factors and their effect on the results of Burch colposuspension for urinary stress incontinence, 354

UVEITIS
Quinidine-induced uveitis, 741

VACTERL ASSOCIATION
Morbidity and mortality in 46 patients with the VACTERL association, 281

VAGOTOMY
Pentagastrin-induced urinary alkaline tide — a repeatable phenomenon that is abolished after vagotomy, 97

VASCULARITY
Embryonic vascular drainage of the endolymphatic sac: the "embryonic endolymphatic glomerulus", 896

VIRUSES
Viruses and atherosclerosis [Special Article], 463

VITAMIN A LOADING
Vitamin A loading — an indicator of post-prandial lipoprotein clearance in healthy and hypertriglyceridemic subjects, 706

WILSON'S DISEASE
Screening for Wilson's disease in the investigation of hematuria, 367

WRITING
Quotation accuracy; fact or fiction? 465
